

Ardagh and Clonmacnoise – Diocesan Assembly May 14 & 15, 2022

---

We are asking delegates to have a local conversation before Easter on the following two questions:

1. Is there a **general direction** we want the diocese to move towards considering presentations and conversations at the April zoom Assembly? (A recording of April 2<sup>nd</sup> meeting is available on diocesan website – **The diocese of Ardagh and Clonmacnoise**)
2. Is there a more **specific action** we want to see happen?

We are asking you to summarise your responses below (use as many pages as you wish) and return by Easter. The responses will be organised into a set of proposals for discussion in May.
